YWCA of Westmoreland County annual report 2013

Message from the President and Executive Director...

“There are women who make things better...simply by showing up. There are women who make things happen. There are women who make their way. There are women who make a difference. And women who make us smile. There are women of wit and wisdom who - through strength and courage - make it through. There are women who change the world everyday...Women like you.”
- Ashley Rice

The YWCA exists for every woman. With your help we are effecting change every day as we strive to achieve our mission of eliminating racism and empowering women. It has been a year of advocacy, action and accomplishments. The 2013 Annual Report reflects our ongoing commitment to providing women and girls with the programs and services they need to realize their full potential as individuals, and as members of their families and communities.

Just as in 2013, in forthcoming years we will continue to speak out on behalf of women and girls and what they face today. We will continue to address gender and racial disparities; the need for affordable child care; economic empowerment issues; and job skill training through our literacy and technology programs. We will continue to offer health and wellness classes; and serve as a welcoming place where women gather to be empowered and then go on to empower others. We will continue to evolve to meet the challenges that lie ahead. We will continue to be a place for women like you.

**Program Highlights**

**International Women**

Over 30 women participated in our International Women's Group, a support group for women from many different countries. Monthly meetings promote international exchange, friendships and help women adapt to their new community.

**Technology**

Our Technology department gave 466 adults computer, iPad or other technology trainings in 2013. The YWCA provided 15 customized technology business training for 90 participants either on-site or in our lab. Our Bagels & Bytes tech support group meets bi-monthly. Support and training was presented to 120 nonprofit “accidental techies.” Our TechGYRLS® program engaged 32 girls ages 11 to 14, in building working robots using science, technology, engineering and math skills. This included 2 teams that competed in regional competitions and 1 team of 10 girls competing in the FLL Grand Championship, winning first place for Research.

**Children's Programs**

The YWCA Westmoreland County provides preschool, before and after school programs, and summer camps to support families in the community. YWCA childcare programs provide a warm, caring atmosphere where children are nurtured and accepted regardless of race, color, economic status, religious background and family composition. In 2013, the YWCA Preschool served 46 children and their families with quality programs and services. The YWCA staff provided “before and after school” care to 92 children at Baggaley and Mountain View Elementary Schools. During the summer 22 children, ages 6 - 10 enjoyed our Keystone STARS 2 Young Wonders summer camp. The YWCA Girls’ Project summer camp program provided consistency and enrichment in a relaxed environment for 10 girls, ages 11 to 14.

**Health & Wellness**

The YWCA of Westmoreland County provided many fitness, wellness, and social opportunities for members and the community. In 2013 over 200 individuals enjoyed Women’s Bowling, Bridge, Cooking Classes, Tai Chi, Yoga, Kid’s Karate and/or Girls Field Hockey.

**Advocacy & Racial Justice**

The mission of the YWCA to eliminate racism and empower women is translated by the YWCA into programs and services that advocate and educate the public about these important causes. In 2013, the YWCA Racial Justice Committee members hosted or participated in 10 events or meetings in our community. Over 215 people supported our efforts to eliminate racism in Westmoreland County.

**Rentals**

The YWCA mansion is the perfect backdrop for weddings, showers, birthday parties, cooking classes, and professional meetings. In 2013 the YWCA hosted 83 events.
